**Re: SCWWA WWTP Nutrient Reduction Project Prequalification Request from Bidders**

Sealed applications for prequalification of bidders for the pending South Central Wastewater Authority Nutrient Reduction Project were received on April 4, 2022 at the South Central Wastewater Treatment Plant in Petersburg, Virginia.

**The prequalification packages were reviewed and scored in accordance with the formal request for qualifications document issued by the Authority.**

The Contractors listed in Table 1-1 are deemed prequalified to submit bids for the Authority's pending Nutrient Reduction Project. It should be noted that the Authority will not accept bids for this Project from Contractors who failed to prequalify.

Contractors deemed prequalified will receive an electronic link for FTP site access to download drawings and specifications via email by close of business on May 16, 2022. Emails will be sent to the address stated on the bottom of the submitted Application for Bidder Prequalification (page 9 of 17) for those contractors deemed prequalified.

Note that a mandatory pre-bid meeting has been scheduled for 10:00 AM on May 20, 2022, at the South Central Wastewater Treatment Authority (900 Magazine Road, Petersburg, VA) and bids will be due by 2:00 PM EST on June 24, 2022.
